## Older Americans Month 2022

### A PROCLAMATION

Whereas, our community includes countless older Americans who enrich and strengthen our community; and

Whereas, our community is committed to engaging and supporting older adults, their families, and caregivers; and

Whereas, we acknowledge the importance of taking part in activities that promote physical, mental, and emotional well-being—no matter your age; and

Whereas, our community can enrich the lives of individuals of *every age* by:

- promoting home- and community-based services that support independent living;
- involving older adults in community planning, events, and other activities; and
- providing opportunities for older adults to work, volunteer, learn, lead, and mentor.

Now therefore, we of the City of Camargo, the City of Jeffersonville, City of Mount Sterling, and the County of Montgomery in Kentucky do hereby proclaim May 2022 to be Older Americans Month. We urge every resident to take time during this month to recognize older adults and the people who serve them as vital parts of our community.

Dated this 1 day of May, 2022.
