What is ADRC?

The Aging and Disability Resource Center (ADRC) is an entry point for individuals or professionals to obtain resource information related to aging or an individual(s) living with a disability.

It is funded through the Administration on Aging and is a collaborative effort between the Administration on Aging and the Centers for Medicare and Medicaid.

The objective of the ADRC is to be an entry point or a "one stop shop" for individuals who are seeking information or resources and for professionals who are seeking information on behalf of their client.

Rental Assistance

Project-Based Rental Assistance
Kentucky Housing Corporation's Project-Based Rental Administration Program provides rental assistance for very low and low income residents living in certain apartment complexes throughout Kentucky. The subsidy is tied to specific complexes and paid directly to the owner on behalf of the resident, thereby lowering the portion of rent for which the resident is responsible. To apply for a Project-Based Rental Assistance apartment, go to the ***kyhousing.org website*** and you will find a link that will directly link you to a property contact information.

Tenant Based Rental Assistance
TBRA funds may be used to provide rental assistance to help pay the cost of monthly rent and/or utility costs. To qualify house-holds must have income below 60% of the area median, adjusted for household size and county of residence, as established by HUD guidelines, and be homeless and /or have special needs. In addition, 20% of the households assisted must have income at or below 50% of the area median.
Requirements for TBRA

Rental Assistance

Project-Based Rental Assistance
Kentucky Housing Corporation's Project-Based Rental Administration Program provides rental assistance for very low and low income residents living in certain apartment complexes throughout Kentucky. The subsidy is tied to specific complexes and paid directly to the owner on behalf of the resident, thereby lowering the portion of rent for which the resident is responsible. To apply for a Project-Based Rental Assistance apartment, go to the ***kyhousing.org website*** and you will find a link that will directly link you to a property contact information.

Tenant Based Rental Assistance
TBRA funds may be used to provide rental assistance to help pay the cost of monthly rent and/or utility costs. To qualify house-holds must have income below 60% of the area median, adjusted for household size and county of residence, as established by HUD guidelines, and be homeless and /or have special needs. In addition, 20% of the households assisted must have income at or below 50% of the area median.
Requirements for TBRA

- Kentucky Housing Corporation Section 8
- $25 minimum contribution for rent

Rental Assistance

Project-Based Rental Assistance
Kentucky Housing Corporation's Project-Based Rental Administration Program provides rental assistance for very low and low income residents living in certain apartment complexes throughout Kentucky. The subsidy is tied to specific complexes and paid directly to the owner on behalf of the resident, thereby lowering the portion of rent for which the resident is responsible. To apply for a Project-Based Rental Assistance apartment, go to the ***kyhousing.org website*** and you will find a link that will directly link you to a property contact information.

Tenant Based Rental Assistance
TBRA funds may be used to provide rental assistance to help pay the cost of monthly rent and/or utility costs. To qualify house-holds must have income below 60% of the area median, adjusted for household size and county of residence, as established by HUD guidelines, and be homeless and /or have special needs. In addition, 20% of the households assisted must have income at or below 50% of the area median.
Requirements for TBRA

- Kentucky Housing Corporation Section 8
- $25 minimum contribution for rent

Rental Assistance

Project-Based Rental Assistance
Kentucky Housing Corporation's Project-Based Rental Administration Program provides rental assistance for very low and low income residents living in certain apartment complexes throughout Kentucky. The subsidy is tied to specific complexes and paid directly to the owner on behalf of the resident, thereby lowering the portion of rent for which the resident is responsible. To apply for a Project-Based Rental Assistance apartment, go to the ***kyhousing.org website*** and you will find a link that will directly link you to a property contact information.

Tenant Based Rental Assistance
TBRA funds may be used to provide rental assistance to help pay the cost of monthly rent and/or utility costs. To qualify households must have income below 60% of the area median, adjusted for household size and county of residence, as established by HUD guidelines, and be homeless and /or have special needs. In addition, 20% of the households assisted must have income at or below 50% of the area median. Requirements for TBRA

- Kentucky Housing Corporation Section 8
- $25 minimum contribution for rent

Rental Assistance

Project-Based Rental Assistance
Kentucky Housing Corporation's Project-Based Rental Administration Program provides rental assistance for very low and low income residents living in certain apartment complexes throughout Kentucky. The subsidy is tied to specific complexes and paid directly to the owner on behalf of the resident, thereby lowering the portion of rent for which the resident is responsible. To apply for a Project-Based Rental Assistance apartment, go to the ***kyhousing.org website*** and you will find a link that will directly link you to a property contact information.

Tenant Based Rental Assistance
TBRA funds may be used to provide rental assistance to help pay the cost of monthly rent and/or utility costs. To qualify households must have income below 60% of the area median, adjusted for household size and county of residence, as established by HUD guidelines, and be homeless and /or have special needs. In addition, 20% of the households assisted must have income at or below 50% of the area median.
